Contains: wheat, peanuts, soy

Ingredients (Serves 2)

- 10 oz. Steak Strips
- 10 oz. Par Cooked Noodles
- 3 oz. Matchstick Carrots
- 2 fl. oz. Teriyaki Glaze
- 1 Lime
- 1 oz. Roasted & Salted Peanuts
- 3 tsp. Sambal
- 2 Green Onions
- 1 tsp. Sugar

You'll Need

- 1 Large Non-Stick Pan

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: green onions, lime

Instructions

1. Prepare the Ingredients

Coarsely chop peanuts.

Halve lime. Cut one half into wedges and juice the other half.

Trim and thinly slice green onions on an angle, keeping white and green portions separate.

Pat steak strips dry. Coarsely chop, then separate pieces. Season all over with 1/4 tsp. salt and a pinch of pepper.

2. Start the Steak Strips

Place a large non-stick pan over high heat and add 2 tsp. olive oil.

Add steak strips and a pinch of pepper to hot pan. Stir occasionally until beef starts to brown, 1-2 minutes.

Add sugar and stir occasionally until combined, 1-2 minutes.

Beef will finish cooking in a later step.

3. Add the Vegetables

Add carrots, white portions of green onions, and a pinch of salt to hot pan.

Stir occasionally until carrots begin to soften, 1-2 minutes.

4. Add Noodles and Sauce and Finish Dish

Add noodles, teriyaki glaze, and 2 tsp. lime juice to hot pan.

Stir occasionally until noodles are heated through and steak strips reaches a minimum internal temperature of 145 degrees, 2-3 minutes.

Stir in sambal (to taste) until combined, 20-30 seconds.

Remove from burner. Rest, 3 minutes.

5. Finish the Dish

Plate dish as pictured on front of card, topping pad Thai with peanuts and green portions of green onions. Squeeze lime wedges over to taste. Bon appétit!
