Instructions

1. Prepare the Ingredients

Break ground pork into bite-sized pieces using hands.

Evenly divide pork, peppers, and 2/3 the taco seasoning (reserve remaining for rice) between both provided trays. Spread into an even layer.

Cover trays with foil.

2. Start Pork Mixture and Add Sauce and Beans

Bake both trays covered in hot oven until pork reaches a minimum internal temperature of 160 degrees, 20-25 minutes.

While pork mixture bakes, drain beans in a colander/strainer.

Carefully remove trays from oven. Uncover and stir pork mixture, breaking up pork into smaller pieces. Trays will be hot! Use a utensil.

Evenly divide tomato sauce and beans between both trays. Stir to combine. Spread into an even layer.

3. Bake Meal and Heat Rice

Bake again uncovered in hot oven until sauce is hot and bubbling, 10-15 minutes.

While meal bakes, carefully massage rice in bag to break up any clumps. Remove rice from packaging. Combine rice and remaining taco seasoning in a microwave-safe bowl.

Microwave uncovered until heated through, 3-4 minutes.

Carefully remove from microwave. Rest, 2 minutes.

Fluff rice with a fork.

Carefully remove trays from oven. Stir pork mixture until combined. Trays will be hot! Use a utensil.

To serve, top rice with pork mixture and garnish with cheese, sour cream, salsa (to taste), and tortilla strips. To create snowman figure, stack a dollop of 1 Tbsp., 1 tsp., then 1/4 tsp. of sour cream close together, in order from largest to smallest, on top of rice bowl. Bon appétit!
