- 1 tsp. Light Chili Powder

You'll Need

- 1 Mixing Bowl
- 1 Large Pot
- 1 Large Non-Stick Pan
- 1 Plate
- 1 Colander/Strainer

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry

Instructions

1. Start the Chili

Place a large pot over medium-high heat.

Add ground beef, onions, and 1/4 tsp. salt to hot, dry pot. Break up meat until no pink remains and beef reaches a minimum internal temperature of 160 degrees, 4-6 minutes.

Drain any excess liquid from pot. Pot will be hot! Use caution.

2. Finish the Chili

Drain and rinse beans in a colander/ strainer.

Add taco seasoning, chili powder (to taste), 1/4 tsp. salt, 1/4 tsp. pepper, tomatoes, beans, chicken base, corn, green chiles (to taste), and 1 cup water to hot pot. Stir to combine and bring to a simmer. Kids not a fan of extra heat? Feel free to skip/reduce the chili powder and/or green chiles.

Once simmering, stir occasionally until corn and beans are heated through, 4-6 minutes.

Remove from burner.

While chili cooks, continue recipe.

3. Make the Johnny Cake Batter

In a mixing bowl, combine corn muffin mix and 3/4 cup water.

Stir until mixture reaches the consistency of pancake batter. If too thick, add additional water, 1 Tbsp. at a time, until desired consistency is reached.

4. Cook Johnny Cakes and Finish Dish

Place a large non-stick pan over medium heat and spray with cooking spray.

Working in batches, add four separate 1/4 cup scoops of batter to hot pan. Cook undisturbed until bubbles form on surface and bottom is lightly browned, 2-3 minutes.

Gently flip and cook undisturbed again until cooked through and lightly browned, 2-3 minutes.

Replenish cooking spray, if necessary

Remove from burner. Transfer to a plate.

Plate dish as pictured on front of card, topping chili with cheese. Bon appétit!
