- Turn oven on to 425 degrees. Let preheat, at least 10 minutes

Instructions

1. Prepare the Vegetables

Drain potatoes in a colander/strainer.

In provided tray, combine potatoes, fajita seasoning, 1 tsp. olive oil, and a pinch of pepper. Push to one side of tray. Spread into an even layer on their side.

Add poblanos (to taste) to empty side of tray and spread into an even layer on their side.

Bake uncovered in hot oven, 15 minutes.

While vegetables bake, continue recipe.

2. Add the Pork

Pat sliced pork dry. Coarsely chop, then separate pieces.

After 15 minutes, carefully remove tray from oven.

Add pork and garlic salt to poblanos and stir to combine. Tray will be hot! Use a utensil.

3. Bake Meal, Toast Buns, and Finish Meal

Bake uncovered in hot oven, 15 minutes.

Carefully remove tray from oven. Top pork-poblano mixture with cheese.

Place buns directly on oven rack, cut-side up.

Bake again uncovered in hot oven until buns are toasted, potatoes are tender, and pork reaches a minimum internal temperature of 145 degrees, 3-5 minutes.

Carefully remove tray and buns from oven. Rest pork, 3 minutes.

To serve, top bottom bun with pork-poblano mixture (to taste), dressing (to taste), crispy onions, then top bun. Bon appétit!
