Ingredients (Serves 2)

- 10 oz. Steak Strips
- 1 Roma Tomato
- 3.6 oz. Arborio Rice
- 3 oz. Corn Kernels
- 2 oz. Grated Parmesan Cheese
- 2 oz. Light Sour Cream
- 2 Green Onions
- 2 tsp. Natural Beef Flavor Demi-Glace Concentrate
- 1 1/2 tsp. Pot Roast Seasoning

You'll Need

- 1 Small Pot
- 1 Medium Pot
- 1 Large Non-Stick Pan

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Bring 4 cups water to a boil in a small pot
- Ingredient(s) used more than once: green onions

Instructions

1. Prepare the Ingredients

Core tomato and coarsely chop.

Trim and thinly slice green onions.

Pat steak strips dry. Coarsely chop, then separate pieces. Season all over with pot roast seasoning and a pinch of pepper.

2. Start the Risotto

Place a medium pot over medium-high heat and add 1 Tbsp. olive oil.

Add corn, half the green onions (reserve remaining for garnish), and a pinch of salt and pepper to hot pot. Stir occasionally until corn starts to brown, 2-3 minutes.

Add rice and stir occasionally until rice is toasted, 1-2 minutes.

3. Finish the Risotto

Add 1 cup boiling water from small pot to hot pot with rice. Rice should just be covered by water. Stir often until nearly all water is absorbed.

Add 1/2 cup boiling water from small pot and stir often again until nearly all water is absorbed. Repeat this process, stirring often, 18-20 minutes.

Taste risotto as you cook, checking for tenderness. When rice has no more “bite” or crunch, it's done. There may be water left.

Remove from burner. Stir in cheese, sour cream, 1/2 tsp. salt, and a pinch of pepper until melted and combined. Cover and set aside.

4. Cook the Steak Strips

Place a large non-stick pan over medium-high heat and add 2 tsp. olive oil.

Add steak strips to hot pan and stir occasionally until browned, 3-4 minutes.

Add 1/4 cup water, tomatoes, demi-glace, and a pinch of pepper. Stir occasionally until tomatoes break down slightly and steak strips reach a minimum internal temperature of 145 degrees, 2-4 minutes.

Remove from burner. Rest, 3 minutes.

5. Finish the Dish

Plate dish as pictured on front of card, topping risotto with steak strips and garnishing with remaining green onions. Bon appétit!
