Contains: milk, eggs, wheat

Ingredients (Serves 2)

- 2 Russet Potatoes
- 12 oz. Boneless Pork Chops
- 2 oz. Shredded Cheddar Cheese
- 2 oz. Light Sour Cream
- 0.9 oz. Butter
- 1/4 cup Panko Breadcrumbs
- 1/2 oz. Crispy Fried Onions
- 0.44 oz. Mayonnaise
- 6 Chive Sprigs
- 1 tsp. Onion Salt

You'll Need

- 1 Baking Sheet
- 1 Medium Pot
- 1 Potato Masher
- 1 Plate
- 1 Peeler
- 1 Colander/Strainer

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Turn oven on to 425 degrees. Let preheat, at least 10 minutes
- Prepare a baking sheet with foil and cooking spray
- Ingredient(s) used more than once: onion salt, chives
- Upon delivery, remove potatoes from meal bag and store at room temperature

Instructions

1. Start the Potatoes

Peel and cut potatoes into large chunks.

Bring a medium pot with potato chunks covered by water to a boil.

Once boiling, cook until fork-tender, 14-18 minutes.

Remove from burner. Reserve 1/2 cup potato cooking water. Drain potatoes in a colander/strainer and return to pot.

While potatoes cook, continue recipe.

2. Prepare the Ingredients

Mince chives.

Place panko, cheese, and 1 tsp. olive oil on a plate. Stir to combine and spread into an even layer.

Pat pork chops dry. Season both sides with half the onion salt (reserve remaining for mashed potatoes) and a pinch of pepper.

3. Cook the Pork Chops

Evenly top one side of pork chops with mayonnaise. Transfer pork, mayonnaise-side down, onto plate with panko-cheese mixture, pressing gently to adhere to one side.

Place pork on prepared baking sheet, crusted-side up.

Roast in hot oven until pork reaches a minimum internal temperature of 145 degrees, 12-14 minutes.

Pork thickness can vary; if you receive a thinner chop, we recommend checking for doneness sooner.

Carefully remove from oven. Rest, 3 minutes.

While pork roasts, continue recipe.

4. Finish the Potatoes

Add sour cream, butter, a pinch of salt and pepper, remaining onion salt, and 2 Tbsp. reserved potato cooking water to pot with potatoes. Mash until combined.

If too thick, add additional reserved potato cooking water, 1 Tbsp. at a time, until desired consistency is reached.

Stir in half the chives (reserve remaining for garnish) until combined.

5. Finish the Dish

Plate dish as pictured on front of card, topping mashed potatoes with crispy onions and remaining chives. Bon appétit!
