Before You Cook

All cook times are approximate based on testing.

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Turn oven on to **425 degrees**. Let preheat, at least 10 minutes
- Ingredient(s) used more than once: **onion, garlic salt, cilantro**

1. Prepare the Ingredients

- Halve **lime** and juice.
- Mince half the **cilantro** (no need to stem). Stem remaining half, reserving leaves whole.
- Halve and peel **onion**. Finely chop. *If you receive a larger onion, chop half; remaining half is yours to use as you please!*
- Stem **jalapeño**, halve, seed, remove ribs, and mince. *Wash hands and cutting board after working with jalapeño.*

2. Cook the Beef Filling

- Place a large non-stick pan over medium-high heat and add 1 tsp. **olive oil**. Add **ground beef** and **onions** (reserve 2 Tbsp. for crema) to hot pan. Break up until starting to brown, 3-5 minutes.
- Add **fiesta seasoning**, half the **garlic salt** (reserve remaining for crema), and ¼ cup **water**. Stir occasionally until mixture thickens and beef reaches a minimum internal temperature of 160 degrees, 1-3 minutes.
- *If mixture is too thick, add additional water, 1 Tbsp. at a time, until desired consistency is reached.*
- Remove from burner. Stir in half the **minced cilantro** (reserve remaining for crema).

3. Assemble the Tacos

- Wrap **tortillas** in a damp paper towel and microwave until warm, 30-60 seconds.
- Poke tortillas with a fork all over, 10 times for each tortilla. Place tortillas on baking sheet. Drizzle with 2 tsp. **olive oil** and massage oil into tortillas.
- Fill tortillas evenly with **beef filling** and **cheese**, then fold in half, pressing gently to adhere.

4. Bake the Tacos

- Bake in hot oven until **cheese** has melted and **tortillas** reach desired crispness, 5-8 minutes per side.
- Carefully remove from oven.
- While tacos bake, continue recipe.

5. Make Crema and Finish Dish

- In a mixing bowl, combine **sour cream**, 1 Tbsp. **jalapeños** (to taste), remaining **minced cilantro**, remaining **garlic salt**, reserved 2 Tbsp. **onions** (to taste), and 1 Tbsp. **lime juice**. Set aside.
- Plate dish as pictured on front of card, serving **tacos** with crema and **whole cilantro leaves**. Bon appétit!
