Contains: milk, wheat

Ingredients (Serves 2)

- 10 oz. Beef Top Round Steaks
- 4 fl. oz. Cream Sauce Base
- 6 oz. Cavatappi Pasta
- 2 oz. Shredded Cheddar Cheese
- 1 oz. Shredded Quesadilla Cheese
- 0.6 oz. Butter
- 2 Green Onions
- 1 tsp. Ranch Seasoning
- 1/2 tsp. Garlic Pepper

You'll Need

- 1 Medium Non-Stick Pan
- 1 Medium Pot
- 1 Mixing Bowl
- 1 Plate
- 1 Colander/Strainer

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Bring 8 cups water and 2 tsp. salt to a boil in a medium pot
- Set butter on counter to soften
- Refer to minimum internal temperature chart on front of card for your protein

Instructions

1. Cook the Pasta

Once water is boiling, add pasta and cook until al dente, 8-10 minutes

Remove from burner. Drain pasta in a colander/strainer and set aside. Reserve pot; no need to wipe clean.

While pasta cooks, continue recipe.

2. Prepare Ingredients and Make Garlic Pepper Butter

In a mixing bowl, combine softened butter and garlic pepper. Set aside.

Trim and thinly slice green onions.

Pat steaks dry and season both sides with a pinch of salt and pepper.

3. Cook the Steaks

Place a medium non-stick pan over medium heat and add 1 tsp. olive oil.

Add steaks to hot pan and cook until steaks reach desired doneness, or 3-4 minutes per side for medium/medium-well.

Steak thickness can vary; if you receive a thinner steak, we recommend checking for doneness sooner.

Remove from burner. Transfer steaks to a plate and cover with foil. Rest, 3 minutes.

While steaks cook, continue recipe.

4. Make the Sauce

Return pot used to cook pasta to medium-low heat.

Add cream base, cheddar cheese, quesadilla cheese, 1/4 cup water, and ranch seasoning to hot pot.

Stir to combine and bring to a simmer.

5. Add Pasta and Finish Dish

Once simmering, stir cooked pasta into hot pot until combined and sauce is slightly thickened, 2-3 minutes.

If too thick, add additional water, 1 tsp. at a time, until desired consistency is reached.

Remove from burner.

Plate dish as pictured on front of card, topping steak with garlic pepper butter and slicing steak, if desired. Garnish mac and cheese with green onions. Bon appétit!
