- 2 tsp. Chile and Cumin Rub

You'll Need

- 1 Medium Pot

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: cheese, green onions

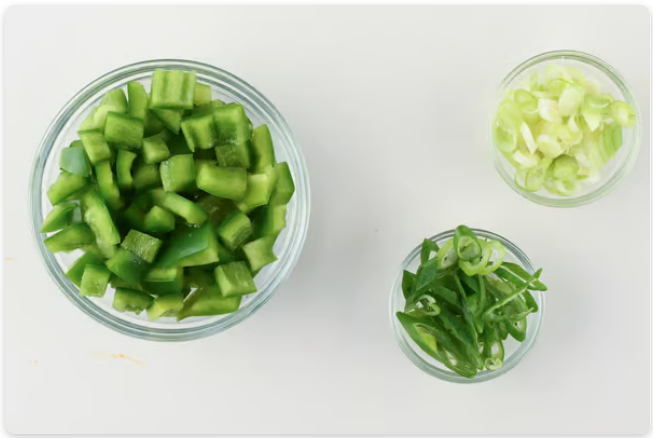

Instructions

1. Prepare the Ingredients

Remove stem, seeds, and ribs, and cut bell pepper into 1/4" dice.

Trim and thinly slice green onions on an angle, keeping white and green portions separate.

Pat chicken dry.

2. Cook the Peppers and Chicken

Place a medium pot over medium-high heat and add 2 tsp. olive oil.

Add chicken, bell peppers, and a pinch of salt and pepper to hot pot. Stir occasionally until golden-brown and chicken reaches a minimum internal temperature of 165 degrees, 5-7 minutes.

3. Add the Flour

Add minced garlic and parsley and white portions of green onions to hot pot.

Stir occasionally until garlic is fragrant, 30-60 seconds.

Stir in flour until no dry flour remains.

4. Add Broth and Finish Dish

Add green chile peppers (to taste), cream base, chicken base, chile and cumin rub, 1/4 tsp. salt, and 1 cup water to hot pot. Stir to combine and bring to a simmer.

Once simmering, stir occasionally until peppers are tender and soup is slightly thickened, 3-5 minutes.

Remove from burner. Stir in half the cheese (reserve remaining for garnish) until melted and combined.

Plate dish as pictured on front of card, topping soup with remaining cheese and green portions of green onions. Bon appétit!
