**Contains:** milk, wheat

## Ingredients (Serves 2)

- 8 oz. Italian Pork Sausage
- 4 fl. oz. Cream Sauce Base
- 8 oz. Cooked Penne Pasta
- 4 oz. Marinara Sauce
- 3 oz. Frozen Peas
- 3 oz. Diced Seasoned Roasted Red Tomatoes
- 1/2 oz. Shredded Parmesan Cheese
- 1/4 tsp. Red Pepper Flakes

## Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Turn oven on to 425 degrees. Let preheat, at least 10 minutes
- Only half the marinara sauce is used in this recipe

## Instructions

### 1. Prepare the Ingredients

If you received raw pasta, bring 8 cups water to a boil in a pot. Once boiling, cook until al dente, 8-13 minutes. Remove from burner. Drain pasta in a colander/strainer and set aside. Wait until last step to add pasta and stir to combine.

In provided tray, combine pasta (Add pasta only if you received pre-cooked pasta. If you received raw pasta, please refer to beginning of Step 1.), cream base, half the marinara (remaining is yours to use as you please!), peas, and tomatoes. Spread into an even layer.

### 2. Add the Sausage

Remove Italian sausage from casing, if necessary, and break into bite-sized pieces.

Evenly top pasta (Top pasta only if you received pre-cooked pasta. If you received raw pasta, please refer to Step 1. Stir sausage and seasonings into tray) with sausage and a pinch of salt and pepper.

### 3. Bake the Meal

Bake uncovered in hot oven until sausage reaches a minimum internal temperature of 160 degrees, 25-27 minutes.

Carefully remove tray from oven and stir to combine.

To serve, top pasta with cheese and red pepper flakes (to taste). If you received raw pasta, add to tray and stir to combine. Bon appétit!
