Processed in a facility that also processes peanut, tree nut, sesame, wheat, egg, soy, milk, fish, and shellfish ingredients.

Ingredients

- 1 Bell Pepper
- 1 tsp. Asian Garlic, Ginger & Chile Seasoning
- ½ oz. Lightly Toasted Sesame Oil
- 1 tsp. Multicolor Sesame Seeds
- 2 Green Onions
- .609 fl. oz. Tamari Soy Sauce (GF)
- ½ fl. oz. Honey
- 10 oz. Steak Strips
- 1 Tbsp. Cornstarch
- 5.47 oz. Long Grain White Rice

If you received different ingredients, we may have sent a substitute. Not to worry! Check your email for updated instructions.

Before You Cook

All cook times are approximate based on testing.

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: **sesame oil, green onions**

1. Toast the Sesame Seeds

- Place a large non-stick pan over medium heat. Add **sesame seeds** to hot, dry pan. Toast until fragrant, 3-5 minutes.
- Remove from burner. Transfer seeds to a plate. Wipe pan clean and reserve.
- While seeds toast, continue recipe.

2. Cook the Rice

- Bring a small pot with **rice**, half the **sesame oil** (reserve remaining for sauce), ¼ tsp. **salt**, and 1 ¼ cups **water** to a boil.
- Once boiling, reduce to a simmer, cover, and cook until rice is tender, 15-18 minutes.
- Remove from burner. Stir in toasted **sesame seeds** and set aside.
- While rice cooks, continue recipe.

3. Prepare Ingredients and Make Sauce

- Remove stem, seeds, and ribs, and cut **bell pepper** into ¼" strips.
- Trim and thinly slice **green onions**, keeping white and green portions separate.
- In a mixing bowl, combine **honey**, **soy sauce**, 2 Tbsp. **water**, and remaining **sesame oil**. Set aside.
- Pat **steak strips** dry. Coarsely chop, then separate pieces. In another mixing bowl, combine steak strips and **cornstarch**. Gently toss to coat.

4. Cook the Vegetables

- Return pan used to toast sesame seeds to medium-high heat and add 2 tsp. **olive oil**.
- Add **white portions of green onions** and **bell peppers** to hot pan. Stir occasionally until tender, 5-7 minutes.
- Transfer vegetables to a plate. Keep pan over medium-high heat.

5. Cook Steak and Finish Dish

- Add 1 Tbsp. **olive oil** and **steak strips** to hot pan. Stir occasionally until browned, 2-3 minutes.
- Add **sauce**, **Asian garlic, ginger & chile seasoning** (use less if spice-averse), and ¼ tsp. **salt**. Bring to a simmer. Once simmering, stir occasionally until sauce has thickened and steak reaches a minimum internal temperature of 145 degrees, 2-3 minutes.
- Add **vegetables** and stir to coat. Remove from burner. Rest, 3 minutes.
- Plate dish as pictured on front of card, topping **rice** with steak mixture and garnishing with **green portions of green onions**. Bon appétit!
