## Before You Cook

*All cook times are approximate based on testing.*

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: **garlic**

## Customize It Instructions

- If using **antibiotic free chicken breasts**, pat dry. Cook until chicken reaches minimum internal temperature, 5-7 minutes per side.
- If using **filets mignon**, pat dry. Cook until steak reaches desired doneness, or 4-6 minutes per side for medium/medium-well. Rest, 3 minutes. *Steak thickness can vary; if you receive a thinner steak, we recommend checking for doneness sooner.*

### 1. Prepare the Ingredients

- Trim **green beans**, if necessary.
- Cut **mushrooms** into ¼" slices.
- Mince **garlic**.
- Pat **pork chops** dry and season both sides with **pot roast seasoning**, ¼ tsp. **salt**, and a pinch of **pepper**.

### 2. Cook the Pork Chops

- Place a medium non-stick pan over medium heat and add 1 tsp. **olive oil**.
- Add **pork chops** to hot pan. Cook until golden-brown and pork reaches a minimum internal temperature of 145 degrees, 3-5 minutes per side.
- *If seasoning starts to burn, reduce heat. Pork thickness can vary; if you receive a thinner chop, we recommend checking for doneness sooner.*
- Remove from burner. Transfer pork to a plate and tent with foil. Rest, 3 minutes.
- Reserve pan; no need to wipe clean.
- While pork chops cook, continue recipe.

### 3. Cook the Green Beans

- Place a large non-stick pan over medium-high heat and add 1 tsp. **olive oil**.
- Add half the **garlic** (reserve remaining for sauce) to hot pan. Stir occasionally until aromatic, 30-60 seconds.
- Stir in **green beans**, ¼ tsp. **salt**, and a pinch of **pepper** until coated.
- Add 2 Tbsp. **water**, cover, and reduce heat to medium. Stir occasionally until green beans are tender, 8-10 minutes.
- *If green beans need more time, add 2 Tbsp. water and stir occasionally, 1-3 minutes.*
- Remove from burner.

### 4. Start the Sauce

- Return pan used to cook pork chops to medium-high heat and add 1 tsp. **olive oil**.
- Add **mushrooms**, remaining **garlic**, and a pinch of **salt** to hot pan. Stir occasionally until lightly browned, 3-4 minutes.

### 5. Finish Sauce and Finish Dish

- Add **wine** to hot pan with **mushrooms** and stir occasionally until mostly evaporated, 30-60 seconds.
- Stir in **demi-glace**, 2 Tbsp. **water**, and **any accumulated juices from resting pork**. Bring to a boil.
- Once boiling, remove from burner. Stir in **butter** until melted and combined.
- Plate dish as pictured on front of card, topping **pork chop** with **sauce**. Bon appétit!
