Contains: milk, wheat

Ingredients (Serves 2)

- 10 oz. Steak Strips
- 6 Small Flour Tortillas
- 1 Roma Tomato
- 1 Lime
- 1 Shallot
- 1 Jalapeno Pepper
- 1 oz. Light Sour Cream
- 1 oz. Shredded Quesadilla Cheese
- 1 Tbsp. Chile and Cumin Rub
- 1/4 oz. Cilantro

You'll Need

- 2 Mixing Bowls
- 1 Large Non-Stick Pan

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: shallot, cilantro

Instructions

1. Prepare the Ingredients

Mince cilantro (no need to stem).

Halve lime and juice.

Core tomato and cut into 1/4" dice.

Halve and peel shallot. Slice halves into thin strips.

Stem jalapeño, seed, remove ribs, and slice into thin strips. Wash hands and cutting board after working with jalapeño.

Pat steak strips dry. Coarsely chop, then separate pieces.

2. Marinate the Vegetables

Combine jalapeños (to taste), lime juice, 1/4 the shallots (reserve remaining for steak strips), and a pinch of salt and pepper in a mixing bowl. Set aside to marinate, at least 10 minutes.

While vegetables marinate, continue recipe.

3. Make Cilantro Cream and Warm Tortillas

In another mixing bowl, combine sour cream, half the cilantro (reserve remaining for garnish), 1 tsp. olive oil, 1 tsp. water, and a pinch of pepper. Set aside.

Place a large non-stick pan over medium-high heat. Working in batches, place tortillas in hot, dry pan and cook until warmed through, 15-30 seconds per side.

Remove from burner and immediately transfer to a piece of foil and wrap in a pouch to keep warm. Reserve pan; no need to wipe clean.

To microwave tortillas instead, wrap tortillas in a damp paper towel and microwave until warm, 30-60 seconds.

4. Cook the Steak Strip Mixture

Return pan used to warm tortillas to medium-high heat and add 1 tsp. olive oil. Add steak strips to hot pan and stir occasionally until lightly browned, 2-3 minutes.

Add remaining shallots and stir occasionally until shallots soften, 2-3 minutes.

Add tomatoes, chile and cumin rub, 1/4 cup water, and a pinch of salt and pepper. Stir occasionally until water evaporates, no pink remains on steak, and steak reaches a minimum internal temperature of 145 degrees, 2-3 minutes.

Remove from burner. Rest, 3 minutes.

5. Finish the Dish

Plate dish as pictured on front of card, filling tortillas with steak strip mixture, vegetables (taste vegetables before adding; jalapeños will be spicy!), cheese, cilantro cream, and remaining cilantro. Bon appétit!
