Before You Cook

All cook times are approximate based on testing.

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Ingredient(s) used more than once: **green onions, shredded cheese**

1. Prepare the Ingredients

- Drain **beans**.
- Trim and thinly slice **green onions**, keeping white and green portions separate.
- Stem **poblano pepper**, seed, and cut into ½" dice. *Poblano peppers can vary in spice level; most are mild, but a few can be quite hot. Wash hands and cutting board after prepping.*

2. Cook the Beef Mixture

- Place a medium pot over medium-high heat and add 1 tsp. **olive oil**.
- Add **ground beef**, **chile and cumin rub**, **white portions of green onions**, **poblanos** (to taste), and **garlic salt** to hot pot. Break up meat until no pink remains, vegetables are tender, and beef reaches a minimum internal temperature of 160 degrees, 5-7 minutes.

3. Add the Tomatoes

- Reduce heat to medium-low. Stir **tomatoes**, **beans**, and 1 ½ cups **water** into hot pot until combined. Bring to a simmer.
- Once simmering, cover and stir occasionally until slightly thickened, 15-20 minutes.
- Remove from burner.

4. Add the Cheese

- Stir in **hot sauce** (to taste), **cream cheese**, and half the **shredded cheese** (reserve remaining for garnish) until melted and combined.

5. Finish the Dish

- Plate dish as pictured on front of card, garnishing with **green portions of green onions** and remaining **shredded cheese**. Bon appétit!
