Instructions

1. Roast the Potatoes

Slice potatoes into 1/4" rounds.

Mince garlic.

Place potatoes on prepared baking sheet and toss with 2 tsp. olive oil, potato spice seasoning, garlic, and a pinch of salt and pepper. Spread into a single layer and evenly top with half the cheese (reserve remaining for other side of potatoes).

Roast in hot oven until potatoes are golden-brown and crispy, 18-22 minutes, flipping once halfway through and evenly topping with remaining cheese.

While potatoes roast, continue recipe.

2. Prepare the Ingredients

Coarsely chop spinach.

Pat steaks dry. Season both sides with half the garlic salt (remaining is yours to use as you please!) and 1/4 tsp. pepper.

3. Cook the Steaks

Place a medium non-stick pan over medium-high heat and add 1 tsp. olive oil.

Add steaks to hot pan. Cook until steaks reach desired doneness, or 3-5 minutes per side for medium/medium-well.

Steak thickness can vary; if you receive a thinner steak, we recommend checking for doneness sooner.

Transfer steaks to a plate. Rest, 3 minutes.

Keep pan over medium-high heat; no need to wipe clean.

4. Start the Sauce

Add spinach and 1 Tbsp. water to hot pan. Stir occasionally until spinach begins to wilt, 1-2 minutes.

5. Finish Sauce and Finish Dish

Add softened Sicilian sauce (to taste) and creme fraiche to hot pan. Stir often until sauce is melted and combined, 1-2 minutes.

Remove from burner.

Plate dish as pictured on front of card, topping steak with sauce (to taste). Bon appétit!
