Instructions

1. Start the Sausage

Break up sausage into bite-sized pieces and place in an even layer in provided tray.

Bake uncovered in hot oven, 10 minutes.

Sausage will finish cooking in a later step.

Carefully remove from oven and drain excess liquid. Break up sausage again. Sausage and tray will be hot! Use a utensil.

2. Add the Sauce and Noodles

Add marinara, spinach, noodles, softened cream cheese, and 2 Tbsp. water to tray with sausage. Stir to combine and spread into an even layer. Tray will be hot! Use a utensil.

Cover with foil.

3. Finish the Meal

Bake covered in hot oven until noodles are heated through and sausage reaches a minimum internal temperature of 160 degrees, 10-15 minutes.

Carefully remove tray from oven. Stir in 3/4 the softened butter (to taste; remaining is yours to use as you please!) until combined. Tray will be hot! Use a utensil.

Crush croutons in shipping bag.

To serve, garnish with croutons. Bon appétit!
