Ingredients (Serves 2)

- 10 oz. Steak Strips
- 8 oz. Carrot
- 3 oz. Polenta
- 2 oz. Cream Cheese
- 1 oz. Shredded Asiago Cheese
- 1/2 oz. Flour
- 2 Green Onions
- 0.4 oz. Mushroom Broth Concentrate
- 0.3 oz. Butter
- 1/4 oz. Dried Mushroom Blend
- 2 Garlic Cloves
- 1/2 tsp. Garlic Salt

You'll Need

- 1 Medium Pot
- 1 Heat-Safe Mixing Bowl
- 1 Large Non-Stick Pan
- 1 Whisk
- 1 Peeler
- 1 Colander/Strainer

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Bring 2 cups water to a boil in a medium pot
- Ingredient(s) used more than once: green onions

Instructions

1. Prepare the Ingredients

Once water is boiling, place dried mushrooms and boiling water in a heat-safe mixing bowl. Remove from burner. Set bowl aside, at least 10 minutes.

Reserve pot; no need to wipe clean.

While mushrooms soak, peel, trim, and cut carrot into 1/4" slices on an angle. If carrot is larger than 1" in diameter, halve before slicing.

Trim and thinly slice green onions, keeping white and green portions separate.

Mince garlic.

After 10 minutes, reserve 1 cup mushroom liquid. Drain mushrooms in a colander/strainer, then coarsely chop.

Pat steak strips dry. Coarsely chop, then separate pieces.

2. Cook the Carrots

Place a large non-stick pan over medium-high heat and add 1 Tbsp. olive oil.

Add carrots to hot pan. Stir often until slightly browned, 3-5 minutes.

Add 2 Tbsp. water. Stir to combine and bring to a simmer.

Once simmering, cover and stir occasionally until fork-tender, 5-7 minutes.

3. Add the Steak Strips

Add steak strips, white portions of green onions, garlic salt, and a pinch of pepper to hot pan. Stir occasionally until no pink remains and steak strips reach a minimum internal temperature of 145 degrees, 4-6 minutes.

Add flour and stir often until no dry flour remains.

4. Add Mushrooms and Sauce

Add drained mushrooms, reserved mushroom liquid, and mushroom base to hot pan. Stir to combine and bring to a simmer.

Once simmering, stir occasionally until sauce has slightly thickened, 2-3 minutes.

Remove from burner. Rest, 3 minutes.

While steak mixture cooks, continue recipe.

5. Cook Polenta and Finish Dish

Return pot used to boil water to medium heat and add 1 Tbsp. olive oil.

Add polenta to hot pot and stir often until coated, 1-2 minutes.

Slowly pour in 2 cups water while stirring with a whisk. Add 1/2 tsp. salt and garlic. Stir constantly until starting to thicken, 3-5 minutes.

Add cream cheese, butter, and shredded cheese. Stir often until melted and combined, 1-2 minutes.

If too thick, add additional water, 1 Tbsp. at a time, until desired consistency is reached.

Remove from burner.

Plate dish as pictured on front of card, topping polenta with steak mixture. Garnish with green portions of green onions. Bon appétit!
