Ingredients (Serves 2)

- 12 oz. Yukon Potatoes
- 10 oz. Steak Strips
- 1 Onion
- 2 French Roll
- 2 Smoked Gouda Slices
- 1 oz. Creme Fraiche
- 1 Tbsp. Horseradish Sauce
- 1 1/2 tsp. Pot Roast Seasoning
- 1/2 tsp. Garlic Pepper
- 1/2 tsp. Garlic Salt

You'll Need

- 1 Baking Sheet
- 1 Mixing Bowl
- 1 Large Non-Stick Pan

Before You Cook

- Wash hands thoroughly with soap and warm water before cooking and after handling raw meat or seafood
- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Turn oven on to 425 degrees. Let preheat, at least 10 minutes
- Prepare a baking sheet with foil and cooking spray
- Ingredient(s) used more than once: garlic salt

Instructions

1. Roast the Potatoes

Quarter potatoes.

Place potatoes on prepared baking sheet and toss with 2 tsp. olive oil, 1/4 tsp. salt, 1/4 tsp. pepper, and pot roast seasoning. Spread into a single layer.

Roast in hot oven until browned and tender, 25-27 minutes, flipping once halfway through.

While potatoes roast, continue recipe.

2. Prepare Ingredients and Make Horseradish Cream

Halve and peel onion. Cut halves into 1/2" slices.

Combine creme fraiche, horseradish (to taste), and garlic pepper in a mixing bowl. Set aside.

Pat steak strips dry. Coarsely chop, then separate pieces. Season all over with a pinch of salt and pepper.

3. Caramelize the Onions

Place a large non-stick pan over medium heat and add 2 tsp. olive oil.

Add onions to hot pan and stir occasionally until browned, 10-12 minutes.

If pan becomes dry, add water, 1 Tbsp. at a time, as needed.

Add half the garlic salt (reserve remaining for steak strips).

Remove from burner. Transfer to a plate. Reserve pan; no need to wipe clean.

4. Cook the Steak Strips

Return pan used to caramelize onions to medium-high heat and add 1 tsp. olive oil. Add steak strips, remaining garlic salt, and a pinch of pepper to hot pan. Stir occasionally until no pink remains and steak strips reach a minimum internal temperature of 145 degrees, 4-6 minutes.

Remove from burner. Rest, 3 minutes.

5. Toast Rolls and Finish Dish

After 25-27 minutes, carefully remove potatoes from oven. Transfer to a plate.

Halve rolls, if necessary, and place on now-empty baking sheet (no need to replace foil). Place cheese over top roll halves.

Toast in hot oven until cheese is melted, 1-2 minutes.

Carefully remove from oven.

Plate dish as pictured on front of card, topping bottom roll with steak strips, caramelized onions, horseradish cream (to taste), and top roll. Bon appétit!
