Instructions

1. Prepare the Potato Wedges

Cut potatoes into 1/2" wedges and pat dry. Season all over with 2 tsp. olive oil, potato spice seasoning, and a pinch of salt and pepper.

Evenly spread cheese on a plate. Place wedges onto plate with cheese, pressing gently to adhere to one side.

Place wedges, cheese-side up, on prepared baking sheet and spread into a single layer.

2. Roast the Potato Wedges

Roast in hot oven until wedges are slightly browned and tender, 25-30 minutes, flipping once halfway through.

Carefully remove from oven.

While wedges roast, continue recipe.

3. Prepare the Ingredients

Stem and mince thyme.

Mince chives.

Pat steaks dry. Steak coloration may vary upon arrival due to packaging processes; steak quality and flavor will not be impacted. Season both sides with half the mushroom seasoning (reserve remaining for sauce), half the coarse black pepper (reserve remaining for sauce), and 1/4 tsp. salt.

4. Cook the Steaks

Place a medium non-stick pan over medium heat and add 1 tsp. olive oil.

Add steaks to hot pan. Cook until steaks reach desired doneness, or 3-5 minutes per side for medium/medium-well.

Steak thickness can vary; if you receive a thinner steak, we recommend checking for doneness sooner.

Reduce heat to medium-low. Transfer steaks to another plate and cover with foil. Rest, 3 minutes.

Wipe pan clean and keep over medium-low heat.

5. Make Sauce and Finish Dish

Add cream base, remaining coarse black pepper, remaining mushroom seasoning, half the mustard (to taste; remaining is yours to use as you please!), and 1/4 tsp. thyme to hot pan. Stir to combine and bring to a simmer.

Once simmering, stir occasionally until slightly thickened, 1-2 minutes.

If too thick, add water, 1 tsp. at a time, until desired consistency is reached.

Remove from burner.

Plate dish as pictured on front of card, topping steak with sauce and garnishing with chives. Bon appétit!
