You'll Need

Before You Cook

- Remove all produce from any packaging or constraints, then thoroughly rinse and pat dry
- Turn oven on to 425 degrees. Let preheat, at least 10 minutes

Instructions

1. Prepare the Ingredients

Remove Italian sausage from casing, if necessary. Break into 1" pieces.

Evenly divide Italian sausage and mushrooms between both provided trays. Spread into an even layer.

Bake uncovered in hot oven until sausage starts to brown and mushrooms start to get tender, 10-12 minutes.

Sausage will finish cooking in a later step.

2. Add the Sauce

After 10-12 minutes, carefully remove both trays from oven. Evenly divide flour between both provided trays and stir until no dry flour remains. Trays will be hot! Use a utensil.

Evenly divide 1/2 cup water, marinara, cream cheese, 1/2 tsp. salt, and 1/4 tsp. pepper between both trays. Stir to combine. Cream cheese will melt as meal bakes.

Evenly divide pasta and Parmesan between both trays and stir until combined. Cover both trays with foil.

3. Bake Meal and Make Pesto Ricotta

Bake covered in hot oven until pasta is heated through, sauce thickens, and Italian sausage reaches a minimum internal temperature of 160 degrees, 10-12 minutes.

While meal bakes, combine pesto, ricotta, and a pinch of salt in a mixing bowl. Set aside.

Carefully remove both trays from oven.

To serve, top each tray with a dollop of pesto ricotta and garnish with red pepper flakes (to taste). Bon appétit!
